To,

L.Graham Esquire, I.C.S.,

Assistant Political Agent,

Dharwar.

Sir,

I the undersigned most humbly and respectfully beg to lay before your honour a few lines which I hope will meet with kind consideration.

A Hindustani School was established during the time of the late Nawab Abdul-Tabriskhan,Delerjang-Baha-dur,at Savanur and my father who was a Moulvi was --- kindly appointed as teacher there on ₹20 per month.- My father breathed his last on the 29-th November 1907 The place has since fallen vacant. I apply for my --- father's vacant place under the following qualifica--tions:-

I was a professor in the Arebic and Persian lang-uages at Tali-mul-ulumin Hyderabad on ₹50 per month. Owing to the illness of my father and seeing that no body left at Savanur to look after my father.I was --- obliged to finally give up my services at Hyderabad -- and proceed to Savanur.Seeing that I was without occu-pation and that I had no source of maintenance,I was trying for an occupationand fortunately I was temporar-ly appointed as Persian Professor at the Training - College,Dharwar.I served there for five months on ₹40 per month.A few days after I was released by a perma-nent man.

Some days ago,my father's illness assumed a séri--ous form and consequently he died on 29-11-07.

In addition to that of my acquiring a title of--- Moulvi in Arebic,Persian and Uradu languages I know--- Kanarese and English.I append herewith a copy of testi-monial granted by the Principal Training College,-- Dharwar,for favour of perusal.As my father left behind him a large family and as there being no elderly --- person except myself to look after them,I am now obli--ged to remain at Savanur. I am quite unable to main-tain the family without any employment.It is a custom

in this State that the vacant posts of fathers' are gene--rally given to their children provided that they should - be qualified and well educated.

I have mentioned above all the facts af my service -- and qualifications.On account of my family difficulties-- I am obliged tc accept the post of my father which carries only Rs20.

I,therefore,pray that your honour will be gracious -- enough to cónfer upon me the said post of my father which is sócn to be filled in and thus make real sócurce of main tenance to me and to my dependents.

Fcr this act of kindness I shall as in duty bound --- ever pray for your honour's long life and prosperity.

I beg to remain,

Sir,

Your most obedient servant.

Forwarded with compliments to the Dist Sarawan.
The appointment would apparently give considerable pleasure in Sarawan: but the qualifications of the applicant as a teacher must be the first point. It is understood that the deputy Educational Inspector will shortly be visiting Sarawan. He may be asked to give his opinion on the qualifications of the applicant.

This is to certify that Moulvy Mohammad Abdullah Saheb wallad Moulvy Gulam Hussain Saheb knows Arabic, Persian, Urdu and Canarese perfectly well, and also possesses a fair knowledge of English as much as is necessary to teach the Urdu or Persian IV, V & VI. He holds a very good certificate of Moulvy's Examination which is the highest Examination in Mohammadanism (Arabic, Persian, & Urdu Languages). While he was acting as a Persian Teacher for about 5. Sir

Referring to yr letter 1682 J 25th Ult forwarding Educl Inspector S. Ds' No. 9160 of 10th Ult, I have the honor to state that the Patkhal Head-men called attention to the disproportion that existed between the attendance of the Girls School & the strength & cost of its staff including the Headmaster

2) There are at present 5 teachers & 122 boys in the school, the ordinary strength in British schools is, I understand, 1 teacher to every 30 boys. Unless the attendance increases any proposal to increase the cost of the staff would be hardly be considered reasonable

3) In this connection I would request
reference to yr no 1544 of 21-1-08. As
however qualifications as a teacher
in a primary school are prescribed, whatever his
proficiency in Persian or Urdu may be
The D.P.I. thinks in his letter no 547

that the qualifications of his ex as
a teacher must be the first point
to be considered. The interests of the
school cannot be subordinated to
the convenience of an individual

4) The Urdu School is not quite as
helpless as it might be - the appoint-
ment of unqualified teachers would,
I must note, add to its unpopularity
An additional trained teacher seems desirable
in these circumstances
5) I regret I cannot agree to any
proposal to increase the cost of the

We the undersigned gentlemen & ryots of the Savanur state most humbly & respectfully beg to lay before your honour the following few lines with a hope that they will meet with your's kinds consideration.

As there was no Moulvi in the Savanur state to give lectors on Mahomadan religion during the months of Moharam & Rabilawar the late Nawab Abdul Dilerkhan Saheb Dilerajang got Moulvi Gulam Hus-en who was at Belgaum at that time appointed in his Darbar. As the post is now vacant & which to be filled in we now beg to request that soon it will be convenient to the inhabitants of Savanur if Moulvi Abdulasab son of the late Moulvi Gulam Husen saheb was appointed as Head Master of this school on his post. Moulvi Abdulasab acquired a title of Moulvi in Arabic, Persian & Urdue Languges & Knows Kanarese & English. He was temporarily appointed as Persian Professor at the Training College, Dharwar. The H.M. has left the Persian School Rd about 3 years ago. The Educational authorities have asked to have a trained Mohammedan teacher on Rs 20. This they have been unable to do up to now. Now the Director of Public Instruction proposes that the pay of the post should be raised to Rs 30. The question of the pay of all the school masters is under consideration by the A.P. Agent in response to reference

Abdul Hamid teaches in acting capacity H.M. master of the Persian School. It is undesirable that a Hindu should be at the head of the Persian school. There is no immediate prospect of having a trained Mohammedan H.M. to take charge of the school.

The arrangements now proposed

by the M/S have the approval of the Ed & Dy Ed Inspectors.

The Kawine school wants an additional trained teacher. The Ed Inspector recommends & proposes that Mr Shakespeare the present asst. at Hunter Person school, may be transferred to the Kawine school.

The R. Asst has already agreed to give up a teacher on R8 to the Kawine School. Instead of a teacher on R8, the Ed authorities agree with M/S in proposing that this opportunity may be taken of transferring Mr Shakespeare on the same pay (R15) from the Person to the Kawine school. They also propose that he should get R20. This question will be settled separately as noted above

M/S thinks the present arrangements may be tried as they are suitable from all points of view

Note Urdu

The Divan of Savanur states that it is three years since the Head Master of the Savanur ~~Urdu~~ Urdu School ~~was~~ is dead; that no trained Mahomedan knowing Urdu suitable for the post can be obtained; that there is no prospect of getting one in future as the pay of the post is very small i.e. Rs 20. that Mr Despande 1st Assistant of the school is now acting as Head Master in name only; that he is quite ignorant of Urdu; that it is not proper to have a Hindu at the head of the Persian School; that Mr A. Khadirsaheb, Assistant teacher in the school knows Urdu well; that he is a man of good Character; that the

Educational authorities agree
to appoint him Head Master
of the school transferring Mr
Despande to the A. Ver: School
of Savanur as it is not proper
to allow him to serve there after
promoting Mr Khadirsahel to
the post of Std Master in the
same School; that there are now
300 pupils in the Savanur
Kanarese School; that the

that the strength is insufficient to manage
the School; that according to
rule one more teacher is necessary;
that this fact has been brought
to the notice of the Political
Agent who has agreed to give

a teacher on Rs 8 to the Kanarese School; that instead of a teacher on Rs 8, Mr Deshpande, a Asst Master of the Urdu School may be transferred to the Saivaite Kanarese School; that provision has been made for Rs 8 in the budget; & that if the transfer of Mr Deshpande is approved his pay may be met out of the other Heads Concerning the Educational Dept. The Educational authorities agree with the Diwan & the A.P. Agent supports his proposal.

E.C.

The statement referred to in this Office No 9393 is not with the papers. From the note accompanying it it appears that the case of Rajaraj has been dealt with in it. Please see if his case has been mentioned in it or if not this may be dealt with E.C.

V.O

The object of the statement is perhaps that it should be seen that this Office No 9393 deals with the reorganization of the scheme as a whole and not with the question of individual cases. Submitted for Asstt Auditor's orders if the Dept is agreed.

— Order —

I do not see how the proposals can be passed. So far as the Urdu master is concerned I see no objection; but I do not see any way to allow an extra hand on Rs. 18, 15 because the necessity for ~~those~~ one on Rs. 8 has been allowed. Some other way must be sought out of the difficulty —
